

The North Carolina Strawberry Festival

Chadbourn, NC 28431

Dear Vendor,

Welcome to the 2003 North Carolina Strawberry Festival. We hope to have a wonderful year and would like for you to be involved.

The cost for food vendors this year is \$50.00 total, craft vendors a total of \$40.00. This will include a privilege license of \$12.50. Peddlers, or any roving carts, will pay \$20.00 per cart. This includes a \$5.00 peddler's license. Either license must be obtained from the Town of Chadbourn. You can purchase this at the Town Hall or you may include the amount in your registration and we will purchase it for you. If you choose to purchase the license yourself, you must have it at the time you register. The Town Hall will not be open on Saturday so it must be bought prior to the day of the festival.

Vendors may not sell any soft drinks. We are sponsored by a soft drink company and cannot have anyone else selling soft drink products. Also, you will not be able to sell silly string or spray can putty or anything of its likeness. We have had complaints of damage to property, band instruments and uniforms. Required by the health department, all on-site preparation of food must be done so in a closed trailer. Food vendors must provide their own garbage bins and running water. Health Inspectors will be on site, the day of festival, to inspect all food vendors. If you do not comply to the above, you will be asked to leave immediately, with no refund.

You will need to check in at the Food Lion shopping center on Hwy 410. You will be directed to your spot from there. Check-in time is from 7:30 am to 9:00 am, May 3. If you would like to attend this year's festival, please fill out the next page and return it with your check. Please specify what you will be selling, we would like to space everyone out so that your product is different from those next to you. In the event of rain, you will not be refunded for the rental space, nor for the license.

Thank You,

Jennifer Burleson
